Attending: Dave Johnson, Butch Eddy, Ted Kaufman, Don & Joanne Lamoureux, George Beeker, Bob Garrity, Nate Zuckerman, Larry Gattuso, Gary Rougeau, Mike Purcell, Shaun Hebert, Lou Rocca, Aaron Namislo and Fran Bourdon

Dave opened the Meeting at 7:30

Old Business:

- No one present attended the VIP event in NY. It was reported that many Vettes were there.
- Larry reported on his visit to the Corvette Museum in Bowling Green and the subsequent visit to Graceland. He saw the building of the first C7 Z06 during his factory tour.
- Mystic Ct. event was also not attended by any club members although it was reported as a good turnout.
- Oct 19th fall run to The Old Mill in Westminster Ma. was attended by 8 cars with 16 persons from COB and 17 cars with 34 persons from the North Shore Corvette Club. We are looking towards a spring joint gathering in 2015.

New Business:

- **Be sure to check the COB web site www.corvettesofberkshire.org for the most current information about Club activities.**
- New member Aaron Namislo from Cheshire was voted into the club. He owns an orange 1976 coupe.
- Other club related events are:
 - Dec 12th COB Christmas Party Mazzeo's. Need for minimum of 30 people... "e-mail commitments" total 40 people. Deadline is Nov. 25th for reservations & money (\$20 per attendee with meal choice).
 - 2015 -- Possible rally with North Shore to Niagara Falls. More to follow when Dave gets the info.
- Zucchini's management has concerns that only 4 people ordered meals at the last meeting and the heating of the private room in the winter was not feasible at that level of business. We were offered the main dining room but by consensus of the members, we voted to move back to Misty Moonlight. Dave Johnson secured that location to start with next month's meeting in December.

Treasurer's report:

- **No October activity. Current balance is \$1,167.87.**

Butch Eddy won the Raffle. He will use it to purchase the Stabil to put his car up for the winter!

Next COB Meeting is December 3rd at Misty Moonlight.
